Honey, you are tied to me as I am tied to you

And you have got me twisted like you've always wanted
to

But no one in this world could hurt me like I know how
to

Well, it's pain whenever I walk from a room

'Cause I'm a heartbreaker, I'm a heartbreaker

But I'm gonna try to change your life

If it's the last thing that I do

'Cause you might be a heartbreaker too

And darling, you have seen me when I swear I was at
my worst

The Sabbath or a weekday, it don't matter which comes
first

And there are days when my existence feels just like a
curse

Well, you've seen pain, I've often time rehearsed

'Cause I'm a heartbreaker, I'm a heartbreaker

But I'm gonna try to change your life

If it's the last thing that I do

'Cause you might be a heartbreaker

Yeah, you think that you are one of a kind

But you two at best, it's true

And you think that you are always on my mind

But I've got some news for you

Oh, I've got some news for you

'Cause I'm a heartbreaker, I'm a heartbreaker

But I'm gonna try to change your life

If it's the last thing that I do, oh yeah

'Cause you might be a heartbreaker too
