I ain't never seen a pair of eyes quite like yours

I ain't never wiped away a tear on a night so beautiful

I ain't never felt a pair of hands touch my face

I ain't never had to drive away on a night so beautiful

Free your mind and make mistakes

Stay awake for me

Can you redeem this bitter heart of mine?

Is there a saving grace to what I thought could never be
made right?

Can you redeem this bitter heart of mine?

Is there a saving grace to what I thought could never be
made right?

And free your mind and make mistakes

Stay awake for me

Skip a beat and lose your feet

Stay awake for me

You've got me by the heels

Darling, you've got me by the heels

Darling, yeah you, you came in for the kill

You've got me by the heels

And free your mind and make mistakes

Stay awake for me

Skip a beat and lose your feet

Stay awake for me
