Yeah  
Backin' that ass  
Your mom says "Hi" - Jinx!

Yeah yeah yeah yeah yeah  
Yeah yeah yeah yeah yeah

Yeah yeah yeah yeah yeah  
Yeah yeah yeah yeah yeah

Yeah yeah yeah yeah yeah  
Yeah yeah yeah no no

Yeah yeah yeah, yeah yeah yeah  
Yeah yeah yeah yeah yeah

Summertime in the city  
And everybody's having sex

You know I just got a page from a girl that I met last  
week at the Payless  
Shoe stores

I also have a cutie to call who likes the way I knock on  
her boots

Well let's help them back  
Let's handle that  
In two-to-six hours,  
We'll meet back here and regroup

Now let's shoop

Roll up to her crib with some Bartles & James  
Hop off the bus with the AlizÃ©  
Now hold up player, whatchu diggity-doing here?  
I should diggity-ask you the same  
And she sang

Hey, boys I want you both  
I hope that you think that's cool

(Say word?)

I know most guys won't freak together  
She forgot about the Golden Rule - a huh huh

It's OK to put us in a three-way  
It's not gay when it's in a three-way  
With a honey in the middle there's some leeway  
The area's grey in a one, two, three-way

Normally, I don't get down with dudes  
But tonight is a special exception (Great)  
See you're my best friend  
Through thick and thin  
Now it's time to make a triple connection

Lights off

Here in the dark (Here in the dark)  
It's so hard to tell (So hard to tell)  
Where her body ends (La la)  
And my homie's begins (Ew wee)  
This rule dates back (The Golden Rule)  
To ancient Greece (Takin' about Cesar)  
We're two Jack Trippers and a Chrissy  
The new Three's Company

You guys are still here.

It's OK to put us in a three-way  
It's not gay when it's in a three-way  
With a honey in the middle there's some leeway  
The area's grey in a one, two three-way

Fellas, get ready  
Doin' us a chick  
Helicopter dick, go! Helicopter dick. Helicopter dick  
Doin' us a chick  
Helicopter dick

And all of that was OK  
'Cuz it was in a three-way  
It's right there when you see the instant replay (boom)  
Maybe two is enough  
That's what they'll say  
But we'll say, "Hell no."  
It's a one, two, three-way

Yeah yeah yeah yeah yeah

The golden rule
