Hello, welcome to the party  
Hi, i've never met you before, i know  
Just two guys and we're havin a good time  
Havin a good time, havin a good time  
Just two guys and we're havin a good time  
Havin a good time, havin a good time

We'll burn the roof off, this party's going off  
You think that we're soft? You get tossed  
Guy number one, i love to dance  
Fancy feet moved putting you in a trance

It's a friend thing, friends are everywhere  
In the kitchen, the den, hanging out on the stairs  
Spinach dip, real hott chicks, spike the punch and take  
a sip  
Guy number two, here to chill with you  
P-A-R-T-Y? cuz we got to  
I like playing games in the pool  
Who invited steve? that dude is a cunt

We're just two guys and we're havin a good time  
Havin a good time, havin a good time  
Just two guys and we're havin a good time  
Havin a good time, havin a good time

Now everyone in the house say guy number one, guy  
number one  
Now everyone in the house say guy number two, guy  
number two  
Dude quit tripping, your ruining my high  
My loaded gun makes you reach for the sky

There's a knock at the door, who can that be?  
Why can't the cops let our party be?  
How would you like to be shot?  
Me and my friend smoke pot

No jocks, no jerks, just fun with girls  
Having fun guy one? the most fun in the world  
We're just two guys and we're havin a good time

Havin a good time, havin a good time(x3)

Party over here(x4)
