Oh dang!
What is it dawg?
I forgot it's Mother's Day.
Didn't get a gift for her?
Other plans got in the way,
She'll be so disappointed,
Damn, I forgot it too!
This could've been avoided,
What the hell are we gonna do?

My mom's been so alone, ever since my daddy left
(cold),
No one to hold her tight, life has put her to the test,
I know just what you mean, my mom's been so sad and
grey (word),
My dad can't satisfy her in the bedroom ever since he
passed away.

Hold up!
You thinkin' what I'm thinkin'?
I'm thinkin, I'm thinkin too.
Slow up!
What time is it dawg?
It's time for a switcharoo.

We both love our moms, women with grown women
needs,
I say we break 'em off, show 'em how much they really
mean.

'Cause I'm a motherlover,
You're a motherlover
We should f*ck each others mothers,
F*ck each others moms!
I'll push in that lady, where you came out as a baby,
Ain't no doubt that sh*t is crazy,
F*cking each others moms!

'Cause every Mother's Day needs a Mother's Night,
If doing it is wrong, I don't wanna be right,
I'm calling on you, 'cause I can't do it myself,

To me you're like a brother,
So be my motherlover.

I'm layin' in the cut waiting for your mom,
clutchin' on this lube and roses,
I got my digital camera,
Imma make your momma do a million poses,
They will be so surprised,
We are so cool and thoughtful,
Can't wait to pork your mom,
Imma be the syrup she can be my waffle.

Show love, my momma loves bubble bath with
chamomile,
Straight up, give it to my mom d-d-d-d-d-d-doggy
style,
This a perfect plan for a perfect Mother's Day,
They'll have to rename this one,
All up under the covers day.

'Cause I'm a motherlover,
You're a motherlover,
We should f*ck each others mothers,
F*ck each others moms!
I'll push in that lady, where you came out as a baby,
Ain't no doubt that sh*t is crazy,
F*cking each others moms!

Break it down.
It would be my honor,
To be your new step-father,
It would be my honor,
To be your new step-father.

And while you're in my mother,
make me another brother,
And while I'm in your mother,
I'll never use a rubber,
Oh!

'Cause every Mother's Day needs a Mother's Night,
If doing it is wrong I don't wanna be right,
I'm calling on you 'cause I can't do it myself,
To me you're like a brother,
So be my motherlover,

They blessed us both with the gift of life,
She brought you in this world,
So Imma sex her right,
This is the second best idea that we've ever had,
The choice can be no other,

Be my motherlover.

Happy Mothers Day!
