[The Lonely Island]

Welllllll he was the Sax Man from the state of Tennessee  
First set in with the band at the ripe old age of three -  
weeks old  
And when he blew into that horn all the people  
gathered 'round  
Club manager jumped right up and said "Boy I gotta  
have that sound!"  
Scream "Hallelujah Lord!", I said the Sax Man's got my  
soul  
Everybody gotta move their feet, when the Sax Man  
started to blow  
Now blow it Sax Man!

[farting saxophone sounds]

Mmmmmm'kay he's a little shy, but his genius cannot  
hide  
Cause when the Sax Man starts to wail he gonna take  
you on a ride  
Take it Sax Man!

[two saxophone notes]

Ow! Take it Sax Man!  
H-he'll be right with you folks!

All right, Sax Man, that's my fault, I put you on the spot  
But now you're all warmed up and this-a next one's  
gonna be hot  
Kick it Sax Man! (C'mon!)

[one bad note]

(What the fuck are you doing!!)

[another bad note]

Haha, okay! Why don't we have a little inspiration now  
You know this game, Sax Man!  
Repeat after me

Here we go, and..  
Shibbidy bop bop, buda bop bah [one note]  
Dip dip di-dip, dip dip di-dip dip [two weak notes]  
Arrip da di-dip, bop ba-doo-doo day-day [no sound at all]  
Fuckin play somethin Sax Man! [pause.. one weak note]  
Okay, movin on!  
Sax Maaaaaaaaaaaaaaaaaaaaan~!

[one off key note]
