Aye yo, new Lonely Island
2011
Let's get 'em Kiv!

Aye yo, my dick don't work, that shit is soft as a pillow
My girlie lookin' at me like "You for real dude?"

Aye yo, hold up, hold up, we gotta come harder than
that!
Yo tell 'em Andy!

I think there might be something wrong with my dick
It's like a melted stick of butter, so soft that it can't fill a
rubber

Aye yo, come on man, this is Lonely Island, people are
countin' on us
I gotta run all these motherfuckers myself! Whoo!
Aye yo, I think I broke my dick in the sink
It's so small and ugly, all smashed and flat like it was
playin' rugby
Hold up, hold up, this is serious, Kiv let 'em know!

Yo for real though, I suffer from stinky dick
Every time I take a piss it smells just like shit

Haha! Yeah that's what I'm talkin' 'bout
Andy show 'em how it's done!

My dick looks like the fat that you cut off a steak
Smashed in like my balls went and stepped on a rake

Lonely Island! Grammy nominated, yeah! Hit 'em
again!

Yo straight out the box with my soggy little shrimp
I was an eight year old girl before the doctor found my
dick

We make too much money for this shit, murder music!

I shit the bed 'cause my dick played a prank on my butt
Hit 'em! Straight crept when I slept and stuck a laxative
up...

Suppository music! What y'all know about
incontinence?!

I got hepatitis C from a horse, but no confusion, yeah!
It wasn't from the sex, it was a blood transfusion!

What?! Motherfucker got horse blood! What y'all got?

I write freaky fan fiction where cartoons fuck
Got CGI Garfield lickin' Marmaduke's nuts!

Whoo! I would like to see that!
This is that Garfield sex music! Now y'all just showin'
off! Preach!

I got a friend named Reggie who lives down at the
dump
Every other week I swing by and bring him some lunch

Oh! That just sounds nice!
Imma call it right there, game over motherfuckers!
Lonely Island, we started this fake rap shit!
The world needs us!
