Long Way Down
(Billy Burnette, R. David Harris, Billy Montana)
These days it aint easy
to find a love that's strong and true
to rise above the struggles
that lovers all go through
you've been my angel
kept me heaven bound
so don't let me fall
'cause it's a long way down
The first time I touched you
I could almost touch the sky
you're the only woman
that's ever taken me that high
since then I've been livin'
with both feet off the ground
so don't let me fall
'cause it's a long way down
I'm getting this feeling
that sends chills down my spine
I don't think I wanna know
what's behind those restless eyes
You've been my angel
kept me heaven bound
so don't let me fall
'cause it's a long way down
Don't let me fall
'cause it's a long way down
