Well the Shoop Shoop stands for the mood you're in  
And the Diddy Wop mean let the fun begin  
It's a feeling gonna set your senses reeling and you  
can't sit still  
Cumma Cumma mean what you thought, that's right  
And the Wang Dang gonna get you through the night  
time  
Baby there's a right time if you wanna lose control

Shoop Shoop - li'll party, nothing formal  
Diddy Wop - she's in the corner, looked quite normal  
The Cumma Cumma, empty glass, bold as brass, pinch  
me, hang about  
Wang Dang

Well the Shoop Shoop stood for her mood alright  
And her Diddy Wop gave me a nasty fright  
Sought of feeling that-a sent me senses reeling and  
you can't sit still

Cumma Cumma meant what I thought, touche  
And the Wang Dang, err, anyway, nearly died,  
mortified, nearly lost control
