A svelte young man,
eighteen lovers to his name.
Well if the rumours are true
then eighteen lovers came crawling back again.
I don't feel well.
I've got this rattling in my chest.
My doctor said that I should give it up
because I'm clinically obsessed.

I know you think you're in the movies.
You're in the movies that don't wanna know me.
Well I know all about fear and desire,
I know all about lust et cetera.

I just want to be a sweetheart.
I just want to be a sweetheart.
I just want to be a sweetheart.

A sweet young girl,
dressed to the nines in Cacharel.
Oh, under the weather my heels click together,
and following her is hell.
I feel quite ill.
I've got this rattling in my chest.
My doctor said that I should give it up,
I need to get some rest.

I just want to be a sweetheart.
I just want to be a sweetheart.
I just want to be a sweetheart.

So never, never, never try to tell me
it's a pleasure being alone.
All I have here with me are the records
and the books that I own.

Nag, nag, nag.

Nag, nag, nag.
Nag, nag, nag.
Nag, nag, nag.
