[Intro: 2Pac]

Black Cotton

Black Cotton

Black Cotton - A symbol for unrewarded struggle

Time for a little gospel tail

Ghetto gospel that is- listen

Robbin' Black Cotton in God's eyes

Speak

[Verse One: 2Pac]

Black Cotton

Steady stressin' Smith and Wessons count my blessin's

Class is in session the worst question is the first  
question

Why do we work like slaves sweatin' blades to an early  
grave

Never got paid but still we slave (In the nine tre')

Answer that then answer this too-

Loves gonna get ya you know it's true life's a bitch true

You best to backtrack and try to act black and live

Not to be phony and positive but why be negative?

What's the matter G? Black cat got your tongue

Fat track gotcha sprung now your hung (Do ya feel  
me?)

Dum dum diddy is it me?

Attempt to reach each and every brother on the streets

If not peace then at least let's get a piece

I'm tired of seeing bodies on the streets- deceased

Lookin' through my highschool yearbook

Reminisce of the tears as the years took

One homie, two homie, three homies - POOF

We used to have troops but now there's no more youth  
to shoot

God come save the misbegotten

Lost ghetto souls of Black Cotton (In God's eyes)

[Chorus: Eminem]

Nobody don't care

(No matter how hard I try/Look to the sky/and I ask God  
why)  
Nobody don't care  
(Seems like my dreams/Drowned in by screams/No  
answer to my questions)  
Nobody don't care  
(Feels like I'm pressed/Why do I stress?/It's like I'm  
being tested)  
Nobody don't care  
(Seems like my prayers/Vanish to thin air/Please  
answer my questions)  
Nobody don't care

[Kastro: Verse 3]

In the belly of the beast I'm bubbling up  
Running out of luck, about to self destruct  
Old heads say live your life like such  
Your sure to catch her witcha one day boy  
I wouldn't listen to 'em  
Your power movement was cool  
But it ain't fix nothin'  
So I just go with what i know  
I don't trust none  
Look what the 80's did  
To what's Bebe's kids  
And now we grown up  
Nobody ain't own us yet

[Young Noble: Verse 4]

Black cotton, I'm plottin' on what they owe me  
I'm workin' without a profit  
They shacklin' all my homies  
I'm hurtin' but keep the mind  
And we ain't stop, it's cutains, you try to rise and  
Certainly we survive with Outlaw Ridas  
What's the reward for a strugala  
If the lord lovin' us then why they hate to see us comin'  
up  
Runnin up, Gun cocked like nasty gloves  
If you aint got a penny, mind the glove  
No love  
Waitin' for my 40 acas and a blunt to blaze  
Biblicle times good hearts with milita minds  
Black Cotton - I'm hoppin' over enemy lines  
Black Cotton - I ain't stoppin' till they givin me mine  
Black Cotton

[Chorus]
