Eternal Twilight

Deep in the forests of oblivion
I have buried all my feelings
For I have no use for human emotions
On the path that I've chosen
For it's a Path of darkness
Shrouded in everlasting dusk
But still I feel safe...
'Cause this is where I belong

My dark philosophy I have chosen a long time ago
And I know it was the only one for me to take
Because my soul is contaminated and black
And that's the way I want it to be...

Someday the path will come to an end
And then I have come to home
The one will wait me at the gate
And my tormented soul will have it's peace
But until that day comes...
I must wander the forgotten lands
Still not alone must I roam
For the sprits of darkness company me...

As the last sunbeams of my life wither away
I see the curtain of death fall... and I realize
That all hope is lost now and I'm drowning
I am drowning in darkness... but smiling...
