Haha, coming to a ghetto near you,

[Verse One]

I wasn't mad until these tricks me<  
It's time to sanitize my posse  
Look how paranoid these niggas got me  
Cellular calls are being traced  
Since surveillance silently  
Momma chill  
Thug livin pay the bills  
And die violently  
Closed caskets  
Expose bastards I leave em bloody  
Deloris Tucker don't let your kids hear a nigga speak  
on gettin money  
Ain't nothin funny  
Cream
