['Pac speaking]

Yo 'Law!

Is it cool if a nigga just get fucked up for this one?

Yeah! Mr. Fuck-a-Cop is BACK..

And I still don't give a fuck, yaknahmsayin?

Puffin on this indo.. in the studio with my partners out here

Pacific Heights in the house, know what I mean

[2Pac]

I was framed, so don't make the same mistake, nigga

You gotta learn how to shake the snakes, nigga

Cause the police love to break a nigga

Send em upstate cause they straight-up hate the niggaz

So what I do is get a crew of zoo niggaz

Straight fools into rules and do niggaz

And one-time had enough of me

I'm still raw so the law can't fuck with me

They wanna send me to the pen, punk picture that

I stay strapped motherfuckers better get your gat

It ain't easy bein me I can't take it

Life as a celebrity ain't everything they make it

And ever since the movies, these hoes try to do me

If they can't screw me, they find a way to sue me

Now can you picture me coolin, at a night club?

Nothin but love, but motherfuckers wanna mean mug

Since I wear a lot of gold, they plot

Don't know what I got, and get shot with the hot ones

And aww yeah, I wanna feel guilty

But you punk motherfuckers tried to milk me

You'll get smacked behind the hill with my phone on my pager

It's beepin while I cut you with my razor

I'm not violent, I'm petrified and nervous

I got no mercy for these niggaz tryin to serve us

But if you catch me outta pocket, then I'm got

You love to shoot a nigga but you scared to pop a cop

Now drop it

[Chorus: 2Pac]

Strictly for my - strictly for my - strictly for my niggaz
Strictly for my - strictly for my - strictly for my niggaz
Strictly for my - strictly for my - strictly for my niggaz
Strictly for my niggaz makin G's

[2Pac]

Reflected and disrespected, plus I'm rejected
You're just another rapper, who swears he's makin
records
That's what they said - whenever I would walk by
I never tripped though - always kept my head up high
Eventually, I knew that I would find my way
After the darkest night, always comes a brighter day
And some would say, that turned away is all you'll get
I just said, "bet," and never let 'em see me sweat
Cause in the end, I knew that I would have it all
While non-believers, were prayin for my downfall
And some would call, and tell me that they wish me
well
But in my heart, I'm knowin that they wish me hell
Yo get a real job, rappin doesn't pay the rent
I hate the studio cause that's where all my money went
Never surrender, it's all about the faith you've got
Don't ever stop, just push it til you hit the top
And if you drop, at least you know you gave your all
Be true to you, and that way you can never fall
But beware, these backstabbers ain't no joke
Just like a rope, they hang on you until you're broke
And when you're broke, they move onto the next dope
And there you are, can't even pay your car, nope
And when you reminisce, thinkin how you got dissed
Remember how it felt, and then remember this
Be true to you, believe that there's no one bigger
Cause they can all suck dick - it's strictly for my niggaz

[Chorus]

[2Pac]

(This is) This is for the critics if you live up
Pick up my shit or I'll be back doin stickups
I better see five stars next to my picture
If not, Tupac will cop the glock and come knockin to
getcha
I told you once motherfucker I'm a nut
Play me like a butt and you'll be bleedin when you're
fucked
Niggaz know what's up but they be tryin to hold me
down
I'm comin outta Oaktown, bitch fuck around
And it ain't where you from that makes you hardcore

Nigga it's the way you throw them thangs in the war
And to the marks that be talkin all that shit
Screamin out the next nigga's name like a bitch
And the niggaz that I ran into recently
The motherfuckers at the club that pulled the piece on
me
You little bitches shoulda pulled the fuckin trigga
Now you live in fear of a heartless-ass nigga
Mr. Troublesome; niggaz tried to play me with the gat
But like Terminator nigga, I'll be back
Yeah! And I'll be back with a fuckin army
You tried to harm me -- ruh-ring the alarm G!
Cause most motherfuckers love to act up
Without they backup, when they get jacked up they
crack up
It's strictly for my niggaz at the show
So they know, not to play me like a ho (ho!!!)
Strictly for my...

[Chorus 3X (continues afterwards, breaking into ad
libs)]
