Fugees! Fugees and Mobb Deep tryin to diss now too huh?

Hahaha! Well I ain't prejudiced, I don't give a fuck

This is what it sounds like - when we ride on our enemies

BEYOTCH! When we ride on our enemies

[Verse One]

HEYYYY! Got some static for some niggaz on the other side of town

Let my little cousin K roll, he's a rider now

What they want from us motherfuckin thug niggaz?

Used to love niggaz now I plug niggaz, and slug niggaz

Am I wrong? Niggaz makin songs, tryin to get with us

Must be gone on stress weed, in the West we trust

To the chest I BUST! Then we ride 'til the sun come

Shinin back to brighten up the sky, many die

Heard the Fugees was tryin to do me - look bitch!

I cut yo' face, this ain't no motherfuckin movie

THEN! We watch the other two die slow

Castrated entertainin at my motherfuckin sideshow

BAM! Set my plan in mo', time to exterminate my foes

I can't stand you hoes, uhh

Now label this my fuckin trick shot

My lyrics runnin all you cowards out of hip-hop

When we RIDE - on our enemies

When we ride on our enemies

I bet you motherfuckers die, when we ride, on our enemies

When we ride on our enemies

Bet all you motherfuckers die, when we ride, on our enemies

[Verse Two]

Come take a journey through my mind's eye

You crossed the game, don't explain, nigga time to die, say goodbye

Watch my eyes when I pull the trigger

So right before you die you bow before a bigga nigga,

now dry yo' eyes  
You was HEARTLESS on yo' hits  
Niggaz love to scream peace after they start some shit  
- pay attention  
Here's a word to those that robbed me  
I murder you then I, run a train on Mobb Deep! Don't  
fuck with me  
Nigga you're barely livin, don't you got sickle cell?  
See me have a seizure on stage, you ain't feelin well,  
hell  
How many niggaz wanna be involved?  
See I was only talkin to Biggie, but I'll kill allay'all, then  
ball  
Then tell Da Brat to keep her mouth closed  
Fuck around and get tossed up, by the fuckin Outlawz  
Before I leave, make sure everybody HEARD  
Know I meant, EVERY MOTHERFUCKIN WORD  
When we ride on our enemies

When we ride on our enemies  
Make sure everybody die, when we ride, on our  
enemies  
When we ride on our enemies, hehe  
I make sure everybody die, when we ride, on our  
enemies
