1st Verse:

(Monteloco)

Its Loco Baby, back at it

Got'em hooked like, crack addicts

Chop the herb with the, craftmatic

The parties packed like, bad traffic

In honor of V.I.P. clubs

PJ thugs & 3 day runs

Throw your drinks up & don't spill it on the rug

Mama find out we all kicked the fuck out

Banned for life like steroids & AK's

Back in the day used to buy shit on lay away

Loco came up in the rap game, what

Buying trucks changing last names, up

From Mr. Broke Ass to Mr. Mo Cash

Huh, don't laugh hoes used to roll pass

Now they want to team up split my cream up

Put the beat up & throw your drinks up

Pilot to co-pilot I'm wild'n out

Drinks in the air freaks every where

From Cali to Dali Memphis to Texas

Boston to Slauson Boss'n & floss'n
