THE GREATEST LOVE - 1971

(South)

HUGO MONTENEGRO

You are the love by so pretty close

and all about the things

heaven only knows that I wished could

You are the love dances and sing

swinging since all pretty little things

and the playboy should

mmm he's got money he's got charms

and when you walked all that all

hurt me so but I just want you to know

It's not easy heaven knows I try

to wish the best to you and push myself inside

well it takes the greatest love can you ever find

to let you walk away leavin' me behind

and that's the greatest love, yes it is

You are the love he's got the power

do anything each and every hour of the day and night

you are the love he's got the ways

mean show you all awhile the seems

when the light so bright
mmm love should never people ask
so don't you cry and be depress
your pretty go but I just want you to know
