American Schools called you Starlight  
In fourteen point type  
10 x 10 and then  
Your most brutaful smile  
You were looted  
You opened wide  
Gave props to the knives  
Props to the cheating wives

Be kind to the new girl

You erased so many mistakes  
By sitting up and smiling  
Your solo show  
I hope it never closes  
It was the ride of my life  
Twice you burned you lifes work  
Once to start a new life  
And once just to start a fire

Be kind to the new girl  
Uh, no, you are  
Be kind to the new girl
