**(feat. Eric Williams)**

Turn it up loud  
Hahaha, ahahaha, hey man  
You a little sucker for love, right?  
Word up, hahahahaha

I shoulda seen  
you was trouble right from the starrrrt, taught me so  
many lessons  
How not to mess with broken hearts, so many  
questions  
When this began we was the perfect match, perhaps  
we had some problems but we workin at it, and now  
the arguments are gettin loud, I wanna say  
But I can't help from walkin out just a little way  
Just take my hand and understand, if you could see  
I never planned to be a man it just wasn't me  
But now I'm searchin for commitment, in other arms  
I wanna shelter you from harm, don't be alarmed  
Your attitude was the cause, you got me stressin  
Soon as I open up the door with your jealous questions  
Like where can I be you're killin me with your jealousy  
Now my ambition's to be free  
I can't breathe, cause soon as I leave, it's like a trap  
I hear you callin me to come back, I'm a sucka for love  
that's right, sucka for love

*[Chorus: Eric Williams]*

What you won't do, do for love  
You tried everything, but you don't give up  
*[repeat 2X]*

Just when I thought I broke away and I'm fellin happy  
You try to trap me say you pregnant and guess who the  
daddy  
Don't wanna fall for it, but in this case what could I do?  
So now I'm back  
to makin promises to you, tryin to keep it true  
What if I'm wrong, a trick to keep me on and on  
Tryin to be strong and in the process, keep you goin

I'm bout to lose my composure, I'm gettin close  
To packin up and leavin notes, and gettin ghost  
Tell me who knows, a peaceful place where I can go  
To clear my head I'm feelin low, losin control  
My heart is sayin leave, oh what a tangle web we weave  
when we conspire to conceive, and now  
You gettin calls at the house, guess you cheatin  
That's all I need to hear cause I'm leavin, I'm out the  
do'  
Never no more will you see me, this is the end  
Cause now I know you've been cheatin, I'm a sucka for  
love  
damn, sucka for love... sucka for love  
sucka for love

*[Chorus]*

Now he left you with scars, tears on your pillow and you  
still stay  
As you sit and pray, hoping the beatings'll go away  
It wasn't always a hit and run relationship  
It use to be love, happieness and companionship  
Remember when I treated you good  
I moved you up to hills, out the ills of the ghetto hood  
Me and you a happy home, when it was on  
I had a love to call my own  
I shoulda seen you was trouble but I was lost, trapped  
in your eyes  
Preoccupied with gettin tossed, no need to lie  
You had a man and I knew it, you told me  
Don't worry bout it we can do it now I'm under pressure  
Make a decision cause I'm waitin, when I'm alone  
I'm on the phone havin secret conversations, huh  
I wanna take your misery, replace it with happiness  
but I need your faith in me, I'm a sucka for love  
sucka for love, know you ain't right G but yet I'ma sucka  
for love

*[Chorus]*

I'ma sucka for love, sucka for love  
Sucka for love

*[Chorus]*

*[Chorus]*
