[2Pac]

It's just me against the world

[girl]

Oooohhh, oooohhh

[2Pac]

Nuttin to lose..

It's just me against the world baby

[girl]

Oahhhh, oahhhahh

[2Pac]

I got nuttin to lose

It's just me against the world

[girl]

Oh-hahhh

[2Pac]

Stuck in the game

Me against the world baby

[Verse One: 2Pac]

Can you picture my prophecy?

Stress in the city, the cops is hot for me

The projects is full of bullets, the bodies is droppin

There ain't no stoppin me

Constantly movin while makin millions

Witnessin killings, leavin dead bodies in abandoned
buildings

Carries to children cause they're illin

Addicted to killin and the appeal from the cap peelin

Without feelin, but will they last or be blasted?

Hard headed bastard

Maybe he'll listen in his casket -- the aftermath

More bodies being buried -- I'm losing my homies in a
hurry

They're relocating to the cemetary

Got me worried, stressin, my vision's blurred

The question is will I live? No one in the world loves me

I'm headed for danger, don't trust strangers

Put one in the chamber whenever I'm feelin this anger

Don't wanna make excuses, cause this is how it is

What's the use unless we're shootin no one notices the
youth
It's just me against the world baby

[girl]

Me against the world

[2Pac]

It's just me against the world

[girl]

Ooooh yeah, ooo-hooo

[2Pac]

It's just me against the world

[girl]

Me against the world

[2Pac]

Cause it's just me against the world baby

[girl]

Hey!!

[2Pac]

Me against the world

[girl]

Ooooh yeah

[2Pac]

I got nuttin to lose

It's just me against the world baby

[girl]

I got nothing to lose

[Verse Two: Dramacydal]

Could somebody help me? I'm out here all by myself
See ladies in stores, Baby Capone's, livin wealthy
Pictures of my birth on this Earth is what I'm dreamin
Seein Daddy's semen, full of crooked demons, already
crazy

and screamin I guess them nightmares as a child
had me scared, but left me prepared for a while
Is there another route? For a crooked Outlaw
Veteran, a villian, a young thug, who one day shall fall

Everday there's mo' death, and plus I'm dough-less
I'm seein mo' reasons for me to proceed with thievin
Scheme on the scheming and leave they peeps
grieving
Cause ain't no bucks to stack up, my nuts is backed up
I'm bout to act up, go load the Mac up, now watch me
klacka
Tried makin fat cuts, but yo it ain't workin
And Evil's lurking, I can see him smirking
when I gets to pervin, so what?
Go put some work in, and make my mail, makin sales

Risking 25 with a 'L', but oh well

[girl]

Me against the world

[2Pac]

With nuttin to lose

It's just me against the world

[girl]

Ooh yeah.. ooooh-oooooh

[2Pac]

It's just me against the world baby

[girl]

Me against the world

[2Pac]

I got nuttin to lose

It's just me against the world

[girl]

Oahhhohh

[2Pac]

Ha ha

It's just me against the world baby

[girl]

Ha-ahh, HA-AHH!

[2Pac]

With nuttin to lose

It's just me against the world baby

[girl]

Me against the world, hoahhh

[2Pac]

Me against the world

I got nuttin to lose

It's just me against the world baby

[girl]

Ha-hahh (hehe) heyy!

[Verse Three: 2Pac]

With all this extra stressin

The question I wonder is after death, after my last
breath

When will I finally get to rest? Through this supression
they punish the people that's askin questions

And those that possess, steal from the ones without
possesions

The message I stress: to make it stop study your
lessons

Don't settle for less - even the genius asks-es
questions

Be grateful for blessings

Don't ever change, keep your essence

The power is in the people and politics we address

Always do your best, don't let the pressure make you
panic
And when you get stranded
And things don't go the way you planned it
Dreamin of riches, in a position of makin a difference
Politicians and hypocrites, they don't wanna listen
If I'm insane, it's the fame made a brother change
It wasn't nuttin like the game
It's just me against the world

[girl]

Me against the world

[2Pac]

Nuttin to lose

It's just me against the world baby

[girl]

Me against the world

[2Pac]

Got me stuck in the game

It's just me against the world

[girl]

Oahahhhh

[2Pac]

I'd be ashamed to lose

It's just me against the world baby

[girl]

Me against the world

[Outro: 2Pac]

Heh, hahahahahahah

That's right

I know it seem hard sometimes but uhh

Remember one thing

Through every dark night, there's a bright day after
that

So no matter how hard it get, stick your chest out

Keep your head up, and handle it

[girl]

Me against the world *[3X]*
