What's up boo?

Swear I'll never call you bitch again

You ain't fucking with me remember I ain't hate you

I swear I'll never call you bitch again

I just wanna say that uh, I fucking apologize

I didn't mean to call you a bitch

I'll never call you bitch again

Damn

[Verse 1]

Gave my homey 90 days for domestic violence

I try to picture myself, in his position but remain silent

I get to thinking bout the shit we been through

We close like kin, but you remain my friend too

This life of sin, that got the both of us in trouble

But you you always stay down for a nigga so that's why  
I love you

Reminiscing needing tissues

Fighting over childish issues, swear I can't live with you

but without you everyday I miss you

Word on roll you hold my pistol

My gangsta bitch that you always in the mood for love

that's why I'm sleeping with you

Though not the man of your dreams, my planted  
schemes to be rich like a king

and live my life trouble free

I see, yesterday I called you names, and played games  
on your mind

I promise that I'll change in time

It's a complicated world so girl just be a friend

I swear I'll never call you bitch again

And that's my word

[Chorus]

We came too far

To throw it all away

(I swear I'll never call you bitch again, believe me, ugh)

We came way too far pretty thing yeaah

(I swear I'll never call you bitch again, hey)

Do it all away, do it all away baby ...

[Verse 2]

I wake up early in the morning, at the crack of dawn

Nigga still tired so I'm yawning, and now I'm gone

Tryin' to get my money on strong so an early riser

Out before them other guys, that's the way to profit  
every time

Can't get too close, my enemies, they see ghosts

They envy me, plus we be beefing with the east coast

Two casualties, got stopped in traffic

Had a warrant, so they gaffled me

But while I'm gone, watch my business and my back for me

My enemies think they got me crossed they ain't knowing

Ain't no love for player haters where you cowards going

You paid bail got me out of jail, home again

I promise not to leave you on your own again

Cristal corks are popped, romantic thoughts are dropped

It's so frantic but don't panic cause we forged to top

I found a partner and a ridah, a woman and friend

I swear I'll never call you bitch again

Believe Me

[Chorus]

We came too far

(I know, I know)

To throw it all away

(All that is dead don't change each other)

(I swear I'll never call you bitch again, believe me)

We came too far pretty thing, yeahh

(I know what time it is)

(You just gotta give a nigga time to grow up you know what I'm saying)

(That was way back then)

(I Swear I'll never call you bitch again, hey)

Do it all away, do it all away baby ...

Your my nigga, my best friend

I'm never gonna call you, bitch again

Yeah, yeah, yeah

[Verse 3]

Witness evil men do, all this shit I been through

Never meant to hurt you, can we make this work boo?

I know you been feeling pain, things are not the same

Waiting to exhale while I'm sitting in the country jail

Keep your head up, cause things are getting better

My cell mate shed tears off your last love letter

Told him you would find a friend so keep your eyes  
peeled

Sorry if I cuss, but it's the suffering that I feel

Who can I trust, and if I bust, will she snitch?

Even though your not the type to trip, sorry if I called  
you bitch

You showed me the definition of feminine

The difference between a pack of bitches and black  
women

I see the board for a third time hope to see you soon

Pictures of us kissing in the living room in the nude

Thanks for being there much more than a friend

I swear I'll never call you bitch again

Believe Me

[Chorus]

We came too far

To throw it all away

We came way too far pretty thing yeaah

(I swear I'll never call you bitch again)

Together, together

We came too far

To throw it all away

(I swear I'll never call you bitch again, believe me)

We came way too far pretty thing yeaaaah

To throw it all away, throw it all away baby

Through all my ups, and downs

You always, stayed around, stayed around
