This going out to all the females that be having  
To beat them motherfuckers in they head to get them  
off of them

Another shady mission, tricks  
Like watchin' pictures in hazy vision  
Tonight is love makin', take you any place you wish  
Today we satisfied, and today we stole them kisses

Blind insanity, perfect pictures of me and my family  
Not understanding it definitely, if they plan for me  
If I have kids, will I live to see 'em grow?  
Though I don't know, I live the life of a thug nigga

Until the day I go, no broken promises  
A sacred bond broken, I know I die alone but yet and  
still I'm hopin'  
Visions of prisons, maybe I'll be forgiven  
Now I know it's better in heaven 'cause bein' here ain't  
livin'

Close my eyes and see nothing but pain, the world is  
crazy, still  
Lookin' for a queen to plant seeds and have babies  
Maybe I'll be the one or just maybe I'm lost  
You'll never know being cautious, if you playa cardz  
right

Playa cardz right baby  
Playa cardz right girl, take your time baby  
Just be patient baby  
Don't you rush it girl, you ain't gotta do that baby

It's not the hand that you're dealt but how you playin'  
your cards  
You got a brother feelin' mellow like a Cuban cigar  
You truly a star, we'll take the days one at a time  
I think we make the perfect pair, 'cause you my one of  
a kind

I say we make a full house, live out the family dreams  
No jokers, no jacks, just kings and queens

And we should leave the clubs alone and take trips to  
islands  
Give you all of my heart and flood your hand with  
diamonds

No more livin' like a player, stop chasin' the hoes  
I never put you in a shuffle, use my ace in the hole  
I live a life full of riches we got places to go  
So no bluffin', no rushin', just takin' it slow

Let your man do the hustling while you lay in the shade  
I'll throw a deuce to the haters, call a spade a spade  
And let you know I'll never hurt you, babygirl  
You made me hurry up and wait and I know patience is  
a virtue

Playa cardz right baby  
Just might get this

Playa cardz right baby  
Playa cardz right girl, take your time baby  
Just be patient babe  
Don't you rush it girl

You're the one, the only one heaven sent for me  
Baby I'm hopin' that you understand and that you still  
believe  
That I got the special times on my mind, just hopin' that  
you see  
Baby that the thug in me is lovin' you, that this is meant  
to be  
Girl I'll never

You're the one, the only one heaven sent for me  
Baby I'm hopin' that you understand and that you still  
believe  
That I got the special times on my mind, just hopin' that  
you see  
Baby that the thug in me is lovin' you, that this is meant  
to be  
Girl I'll never leave you alone

Playa cardz right baby  
Playa cardz right girl, take your time baby  
Just be patient babe  
Don't you rush it girl, rush it girl

Playa cardz right baby  
Playa cardz right girl, take your time baby  
Just be patient babe  
Don't you rush it girl

You know  
I know how it is sometimes  
I know exactly what you talking about  
Motherfucker be havin' a one track mind  
That liquor be makin' a motherfucker just straight up  
stone cold thuggin'

It's okay, we don't know no better sometimes  
You gotta slow down homie  
We learn that  
Playa cardz right  
Yeah

Especially them niggaz like Kastro  
Kastro is a straight gorilla pimp  
My homeboy I-20 is just like that man  
And that nigga fuckin', Yaki Kadafi, straight gorilla  
pimp  
Lil' Fate the same way

Niggaz just be takin' it, they don't give a fuck, big  
what?  
Exactly  
Them niggaz is just gorilla pimps  
That's Jayo for ya  
E.D.I. Amin, that nigga done slow down up

Please slow it down

We can take it slow sometimes man
