Created me, out of nothingness,
As i was drifting by,
You pulled me from the sky,
While we were escaping,

Created me, out of nothingness,
Not to stop to say hello,
Will you miss me when I go...

Drifting away,
Your routine of peaks and valleys,
It sets you apart from no one.

I taste your sugar,
I taste your sugar sweet,
I taste it on my tongue,
I can feel it rotting out my teeth.

Created me, out of nothingness,
As i was drifting by,
You pulled me from the sky,
While we were escaping,

Created me, out of nothingness,
Not to stop to say hello,
Will you miss me when I go,

Cause i'm gone,
I'm gone, oh I'm gone,
I'm drifting away...
I'm gone, I'm gone
I'm drifting...
Right now! Right now!
Oh, cover it up!
Now! Right now! Right now!
Come on, cover it up!
Why! Why! Why!
Cover it up!
Why! Why! Why!
Cover it up!

Created me, out of nothingness,
As i was drifting by,
You pulled me from the sky,
While we were escaping,

Created me, out of nothingness,
Not to stop to say hello,
Will you miss me when I go...
