All things dull and ugly,
All creatures short and squat,
Al things rude and nasty,
The Lord God mad the lot.

Each little snake that poisons,
Each little wasp that stings,
He made thier brutishvenom,
He made their horrid wings.

All things sick and cancerous,
All evil great and small,
All things foul and dangerous,
The lord God made them all.

Each nasty little hornet,
Each beastly little squid,
Who made the spikey urchin?
Who made the shrks? He did.

All things scabbed and ulcerous,
All pox both great and small,
Purid foul and gangernous,
The Lord God made them all.

AMEN.
