[30 second skit to open]

[Moochy C]

Fuck that nigga!

I don't know who gassin you up, they about to get you
fucked up, you talkin real gutter

like I won't slice you up somethin nice youse a stupid
mu'fucker

I got too much to lose, paid my dues

I ain't got time for petty niggaz like you, I bury niggaz
like you

Cut your tongue out, cause the street don't need to
hear from you

Youse a bitch, I call it how I see it

We in too deep, too late to apologize

I won't rest until I rid the block of you and yo' guys

You steady tellin bitches lies, how you gon' pop me
when you see me

Knowin you ain't got the nuts to, put your hands on me
let alone point a gun at me

You a fiction killer, only time you killed somethin
is on a video game nigga, you can miss me with that
bullshit

Cause soon as I see you, empty the clip

And watch you choke on your own blood bitch

[Chorus: repeat 2X]

We can go to war, I ain't scared of you

You talkin big shit but ain't nobody runnin from you

I'm posted with guns loaded, waitin on you

Show me you a killer, I don't believe you, so what it do

[Moochy C]

Nigga you know who you is, I ain't sayin no names

Cause cats like you will snitch, you and yo' niggaz lame

You better move out of state, cause if you stay in

Minnesota

We gon' up the murder rate, kill or be killed

Enough said, you lettin a bitch get in yo' head

That's the quickest way to end up dead

You ain't learned nothin from the last time I beat yo'

ass pussy stop frontin
I don't play no games
I'ma knock your teeth out when I smack you with this
pistol mayne
You got a problem with GE or Self-Explanatory
You gon' have to see me, that's one situation that you
don't wanna be in
Cause that 357 will bring tears to a grown man, your
best move is to lay low
Cause on sight, I'ma let that thang go
You don't scare me, and I go where the fuck I wanna go
I'ma make sure you can't speak my name no mo'

[Chorus]
