oh when will i learn that everything is happening for me  
that i will see an end  
if i could only find  
one lie behind my imagination  
maybe i could see  
but i lie awake at night  
just thinking about it  
and whether it's been so bad  
when will i learn  
when will i learn agape  
the mountains in the haze  
i saw them in a daze  
what could it mean  
though i care for you  
and i would do most anything for you  
it was just a dream  
and i lie awake at night  
just thinking about it  
and whether it's been ?for me?  
when will i learn  
when will i learn agape  
and i lie awake at night  
just thinking about it  
and whether it's been ?so me?  
when will i learn  
when will i learn agape  
people telling me that  
i'm sad my heart is ending  
maybe even ?  
what i am  
not what's confusing me  
what i want's a different thing  
and i lie awake at night  
just thinking about it  
and whether it's ?meant for me?  
when will i learn  
when will i learn agape  
when will i learn  
when will i learn agape
