Ooh ooh ooh ooh California
Ooh ooh ooh ooh California
They say the chicks are really nice
Ooh California
And the cars they go so fast
Ooh California
And the beach is just the most
And the surf is really wild
I wish that I could stay here all my life
California
(repeat first verse)
Ooh ooh ooh ooh Mendocino
Ooh ooh ooh ooh Mendocino
They say the pot it grows so high
Ooh Mendocino
And the girls they don't wear bras
Ooh Mendocino
And the cars they don't have doors
And the hippies are such bores
Do I have to stay here all my life?
Mendocino
