Its you Mr. and Mrs. America
Its you who must answer for your crimes
Its you who put guns in the hands of
murderers
Are you deaf to the screams of the dying
A peasant village in the once peaceful
mountains
Goes up in flames the children cry out in pain
See their mothers raped and brutally tortured
Nicaragua reaps the Yankee harvest of shame
Dont cry for Nicaragua
Cry for what weve become
A nation of the criminally stupid
Blind to what our governments done
Dont cry for Nicaragua
Nicaragua will be free one day
But I shudder when I think of the bloody price
My own country still has to pay
Ronald Reagan smiles as he kills
You shrug and look the other way
He must know what hes doing you figure
As you hand over half of your pay
Dont you care what they do with your money
How many children it murders every day
Arent you ashamed of your country
Dont you understand When I say
Dont cry for Nicaragua
Cry for what weve become
The enemy of freedom and justice
Enforced at the point of a gun
Dont cry for Nicaragua
Nicaragua will be free one day
But I wonder how long that will still be true
