The girl next door
You know she's hard to ignore
When she comes knockin' on my back door
awwwwww
She's full bodied but she's just sixteen
Her daddy don't like me, He thinks I'm a creep
But the girl next door, you know she's hard to ignore

Now I'm a grown man baby can't you see
You're too young too be messin' with me
awwwwww
She came over in a tight top tank top
I almost did something but then I stopped
But the girl next door, you know she's hard to ignore
Girly what you tryin' to do
?

You don't know what you're gettin' in to
OOOOOOHHHOOOOO OOOOOHHHOOOOO

Chorus

She said give me some sugar
I am your neighbor
Give me some sugar
I am your neighbor
I don't need a lot
I just want a little bit
I don't need a lot
I just want a little bit
You know you're my neighbor baby
Just give me some sugar
You know you're my neighbor baby
Give me some sugar
Oh give me, give me, give me
Give me some sugar
