Are you ready for some darkness
Are you ready for some fun?
Do you wanna touch the night tonight
Or do you wanna grab your hat and run?
Are you ready for some action
Are you ready for the void?
Do you wanna lose your mind tonight
Do you wanna be a denim boy?

Are you ready for the nighttime
Are you ready for the booth?
Do you wanna suck the goat tonight
And taste some outer space truth?
Are you ready to be punished
Are you ready for some good old pain?
Do you wanna belt it out tonight
And do you want the night to stay?

(chorus)
Or is it way too much?
Too much for you to touch?
You want it, you got it
But do you have the guts?
So come on - gimme a kiss
But don't gimme no lip
You saw it, you bought it
But you never paid for this

Are you ready for some darkness
Are you ready for the show?
Do you wanna feel the heat tonight
Or do you wanna hit the road?
Do you really wanna get it
Or do you wanna shut the door?
Do you really wanna call it a day
Or do you want some more?

(chorus)
(kick ass solo by euroboy)

Are you ready for the panther
Are you ready for the light?

Do you wanna buzz the buzz again
And are you
Are you ready for the fight?

Are you ready?
Yes, i'm ready
