[Incomprehensible]

I'm fat and I'm nationwide
I'm hungry big boy in the darkest night
Cover the horizon

Looking for food in the empty streets
Another meal to make my life complete
Take it up with my expanding leather
This painted boy's just gonna eat forever so

Feed me, feed me
'Coz everybody loves a chubby dude
Feed me, come on and feed me
A younger male, a certain magnitude

Straight out of Munich, I'm the fat white dude
I'm bulimic but I've never puked
Final appetizer

Constant food, I don't mess around
Invaded Poland, needs some lebensraum
I'm the eatin' Godzilla, today Tokyo, tomorrow Manila
so

Feed me, feed me
'Coz everybody loves a chubby dude
Feed me, come on and feed me
A younger male, a certain magnitude

Yummy, yummy

Chubby dude, chubby dude
Everybody loves a chubby dude
Chubby dude, chubby dude
Everybody loves a chubby dude

Chubby dude, chubby dude
Everybody loves a chubby dude
Chubby dude, chubby dude
A younger male, a certain magnitude

Feed me, feed me
'Coz everybody loves a chubby dude
I said, feed me, come on and feed me, mumma
Got my own fuckin' latitude

I am the lizard king, I can eat anything
