Gimme friction baby, and I like it  
Gimme friction baby, and I like it, love it  
Gimme deathpunk baby, and I like it  
Gimme deathpunk baby, and I like it, love it

Get it on  
Come on

Right on

Gimme shiny beast, and I like it  
Gimme shiny beast, and I like it, love it  
Gimme teen machine, and I like it - yes I do  
So young, firm and clean, and I like it, love it

Get it on  
Come on

Right on

What do you want?  
I wanna get it on  
Right on
