Good head  
woo woo wooo  
Good head  
woo woo wooo  
Good head  
woo woo wooo

Sweeping floors at the mill all day  
Dropped out of school just to get away  
I'm just a kid but I'll soon be dead  
And all I want is some good(good), good(good),  
good(good), good(good), good(good), good(good),  
good, good good  
Good head!  
woooo  
Good head!  
woooo  
Good head!  
woooo  
Good head!  
woooo

Flipping pizzas on a Saturday night  
classy asses to the left and right  
have you ever been laid, she said  
Fuck you. I'd rather have some good(good),  
good(good), good(good), good(good), good(good),  
good(good), good, good good  
Good head!

Good head  
Good head  
Good head  
Good head

Good head!
