Once upon a time when her legs were short  
And the nights were long  
You were a dancer and I was a prancer  
When you had to tell them all

We had black-light tans  
Tiny ass done for once  
Hanging out with the dead in the graveyard  
Till the break of dawn

Yeah, yeah, hot & filthy  
Yeah, yeah, in the city  
Yeah, yeah, much too much when you're four foot five  
And cramped up really high

You had your roller blades, I had my BMX  
Young enough to stretch, old enough to flex  
But we still had to pay the cheques

We were young and loose  
Nothing to it but black and bruised  
Such a hungry child but you got too wild  
Hanging in the sexual blues

Yeah, yeah, hot & filthy  
Yeah, yeah, in the city  
Yeah, yeah, much too much when you're four foot five  
And cramped up really high

We were running in the moonlight  
Licking our skin, underneath the neon lights  
But all good things must come to an end  
We took it way around the bend  
We seeked and destroyed  
And burst like a fistful of hemorrhoids

I lit up just like a star  
And you looked just like your mum  
Back in the day when she was good looking  
She loving the swastika

Yeah, yeah, hot & filthy

Yeah, yeah, young and pretty  
Yeah, yeah, much too much when you're four foot five  
And cramped up really

Yeah, yeah, hot & filthy  
Yeah, yeah, in the city  
Yeah, yeah, much too much, it's a hot date  
On the boulevard tonight
