Hey!  
If You See Kaye  
If You See Kaye  
If You See Kaye  
Tell her I love her  
OK? ÅfÅ

Well if you see Kaye  
We met at UCLA  
Where did she go?  
I wanna know because I love her so ÅfÅ

She's all I got  
I really like her a lot  
She's really hot  
I'm the I and she's the dot ÅfÅ

Love her forever  
Love her today  
Love her forever  
If You See Kaye

Hey! ÅfÅ

If You See Kaye  
If You See Kaye  
If You See Kaye  
Tell her I love her  
OK? ÅfÅ

I saw her standing in the window  
I saw her walking out the door  
I think I love her more than ever  
More than ever before ÅfÅ

I gave her diamonds  
I gave her pearls  
I gave her hats'n'scarves  
I gave her my whole wide world

Love her forever  
Love her today

Love her forever  
If You See Kaye  
If You See Kaye

If You See Kaye  
If You See Kaye  
If You See Kaye  
Tell her I love her  
OK? ÅfÅ

She rides in limousines  
Grr  
She dines with kings and queens  
Grr ÅfÅ

If You See Kaye  
If You See Kaye  
Hey! ÅfÅ

Love her forever  
Love her today  
Love her forever  
If You See Kaye

Hey! ÅfÅ

If You See Kaye  
If You See Kaye  
If You See Kaye  
Tell her I love her  
OK?
