You tear up my hope
Leave me for dead
I can't remember what I just said
?
I can't remember, I can't go on
Leave me alone, leave me alone
Feed me love
Feed me love
Feed me love
Love like librium

?
I'm like an animal hangin' on a leash
I got love, love like librium
Got love, love like librium

Librium love, librium love
I pull my hand from the lord above
Librium love, librium love
You cut my chain, I'm outta control
Librium love, librium love
I don't remember no I don't recall
Librium love, librium love
Argh...

I'm down off my feet
I'm down on my knees
I'm like an hangin' on a leash
I don't remember, I don't recall
I can't remember even nothin' at all
I got down, down on my feet
I got down, down on my knees
Feed me love
Feed me love
I got love
I need your love

I'm down on my knees
I'm hangin' on a leash
Gutted animal crawlin on my knees
Give me love, love like librium
Feed me love, love like librium

Librium love, librium love
I take the hand from the lord above
Librium love, librium love
I can't help it, I'm outta control
Librium love, librium love
?
Librium love, librium love
