Am I a scorio, am I the sun, is this my body or an
empire of fun

Am I an acrobat, machine of steel, public animal,
always dressed to always dressed to

No

I'm alpha male, I never fail, my DNA is for sale
Alpha male, 4 leg caucasian, 2 leg alsation - I am that's
what I am
Alpha Male!

Am I too small, an unimpressive, or am I way too hot
and wired and aggressive
Am I a bitch magnet, Norwegian waste, will the wind
carry your saliva to my face

No, I'm alpha male! I'm not to scale, my DNA's for sale
Alpha Male, 4 leg Caucasian, 2 legged alcasian, I am -
that's what I am
Alpha male!

Woahohoah. I got one million issues today, for you a
barb wire bouquet!

No, I'm alpha male, born with a tail!
My DNA's for sale
Alpha Male, a sullied Caucasian, a two leg alcasian
That's what I am, I got a plan
ALPHA MALE
