Gimme, gimme, gimme your heart -  
And I'll tell you what you want -  
Gimme, gimme, gimme your soul -  
And I'll tell what you need -

I am the Prima -  
I am the spear head -  
I am the war dog -

Rollin' down the street -  
Rollin' down the street like a heat wave -  
Like a nuclear blast -  
Burning your body -  
Burning your soul -

Say, can you feel it? -  
Say, can you feel it? -  
Say, can you feel it? -

Deep down inside -

Say, can you feel it? -  
Say, can you feel it? -  
Say, can you feel it? -

Deep down inside -

The howling gods are no longer true -  
The howling gods are fading out -

Say, can you feel it? -  
Say, can you feel it? -  
Say, can you feel it? -

I will burst the chains -  
I will break you loose -

The time has come to crush the whole world -  
To crush the ol' values -  
The time has come for the ol' girls to call -  
In their whores for the final battle -

I am the Prime Mover -  
I am the spear head -  
I am the war dog -

Say, can you feel it? -  
Say, can you feel it? -  
Say, can you feel it? -

Deep down inside -

Say, can you feel it? -  
Say, can you feel it? -  
Say, can you feel it? -

Deep down inside down inside -

Say, can you feel it? -  
Say, can you feel it? -  
Say, can you feel it? -
