I met her, shy girl  
I fell in love  
It was such a thrill  
Fell in love  
Till the break of dawn  
Make love like no other whore

Punk Pals - Punk Pals  
Punk Pals - Punk Pals

I was alone  
It was gettin' to feel  
Then she came and footed my bill  
Then went back to her place  
She went away stayin' outta his face

Punk Pals - Punk Pals  
Punk Pals - Punk Pals  
Punk Pals - Punk Pals  
Punk Pals - Punk Pals

Together in the darkness [x4]  
Together
