It took a while but now it's back  
Back from the lab, it's in my hat

So you better run home  
Get on the motherfucking phone  
It's time to rock against ass  
So pick up the motherfucking stone

Well, I'm not in a hurry  
No, I ain't in a rush  
That rock is such a gift  
So make it last

No, I'm not in a hurry  
But that ride is such a blast  
I said, "Lord take me downtown  
'Cause it's a rock against ass"

It's a rock against ass, yeah  
So you better think fast  
Oh yeah, so you better get back

I had no choice, I cut the leash  
You can't control that rocky beast  
No, you can't

So you better run home  
Get on the motherfucking phone  
It's time to rock against ass  
So pick up the motherfucking stone

Well, I'm not in a hurry  
No, I ain't in a rush  
That rock is such a gift  
So make it last

No, I'm not in a hurry  
But that ride is such a blast  
I said, "Lord take me downtown  
'Cause it's a rock against ass"

It's a rock against ass, yeah

So you better think fast  
Oh yeah, so you better get back

Well, I'm not in a hurry  
No, I ain't in a rush  
That rock is such a gift  
So make it last

No, I'm not in a hurry  
But that ride is such a blast  
I said, "Lord take me downtown  
'Cause it's a rock against ass"

It's a rock against ass, yeah  
So you better think fast  
Oh yeah, alright  
Oh yeah, so you better get back

Rock, rock  
Rock against ass
