i am the midnight NAMBLA
i am the two inch gambler

the fondler of the nobbler
the Nemesis of the toddler
i look just like your father but i am
the midnight NAMBLA

i am the baby snake handler
i am the nude pube bangler
the dark fandangler

the fondler of the nobbler
the nemesis of the toddler
i look just like your father but i am
the midnight NAMBLA

that's what i am
i'm a nambling man
i am gonna namble your asshole
tonight
