If I was a farmer  
Instead of a faker  
If I was a realer  
Not just some raker

Raking through a memory  
That just doesn't belong to me  
Just someone I could've been  
If I only kept walking

Have another drink my son  
Enjoy another cigarette  
'Cos it's time you realized  
You're just an average man

Alone on a motorway  
Catch your breath  
Cat's eyes lead everyway  
To lonesomeness

Since you learn to hide your fears  
And downsize your dreams  
Still alive, still sincere  
Inside the scheme

Have another drink my son  
Enjoy another cigarette  
'Cos it's time you realized  
You're just an average man

If this is darkness here  
And if this is darkness, coming

Have another drink my son  
Enjoy another cigarette  
'Cos it's time you realized  
You're just an average man
