"Chim Chim Cheree"

Wind's in the east, mist coming in
Like something is brewing, about to begin
Can't put my finger on what lies in store
I fear what's to happen all happened before
Chim chimney, chim chimney, chim chim cheree
A sweep is as lucky as lucky can be
Chim chimney, chim chimney, chim chim cheroo
Good luck will rub off when I shake hands with you
Or blow me a kiss, and that's lucky too
Then as the ladder of life has been strung
You might think a sweep's on the bottomest rung
Though I spent time in ashes and smoke
In this whole wide world, there's no happier bloke
Chim chimney, chim chimney, chim chim cheree
A sweep is as lucky as lucky can be
Chim chimney, chim chimney, chim chim cheroo
Good luck will rub off when I shake hands with you
Or blow me a kiss, and that's lucky too
Blow me a kiss, and that's lucky too
Blow me a kiss, and that's lucky too
Blow me a kiss, and that's lucky too
Or blow me a kiss, and that's lucky too
Or blow me a kiss, and that's lucky too
