Reach out  
Turin brakes  
I don't know what Im after  
One day tears next day laughter  
Well I like singing  
Gets me high so high  
Yeah I like singing  
Gets me high so high  
One day tears next day laughter  
Reach out....  
Well I like singing  
Gets me high so high  
Yeah I like singing  
Gets me high so high  
Its one day tears next day laughter  
Reach out...  
Oh but I like singing  
Gets me high so high  
Yeah I like singing  
Gets me high so high  
Its one day tears next day laughter  
I just don't know what Im after  
One day tears next day laughter  
But I like singing  
Gets me high so high  
Yeah I like singing  
Gets me high so high  
Its one day tears next day laughter
