Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

Sometimes just letting go is easier
Dead friends cant come back
They're gone and life goes on

If you try, you'll be alright
If you try, you'll be alright

Been hanging around you, been catching the starlight
Under this red moon
Leaving the city tonight we're finding our freedom
Under this red moon, oh no, no, no, no

Leave your woes behind
Start the car and drive
Deserts bring you home
The only roads you've known

If you try, you'll be alright
If you try, you'll be alright

Been hanging around you, been catching the starlight
Under this red moon
Leaving the city tonight, we're finding our freedom
Under this red moon, oh no, no, no, no

Here it comes, you might as well
Here it comes, you might as well
You might as well

If you try, you'll be alright

Been hanging around you, been catching the starlight
Under this red moon
Leaving the city tonight, we're finding our freedom
Under this red moon, oh no, no, no, no

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
