I got to bed early this morning  
The stars were still bright  
I got to bed early this morning  
And everything in my head feels alright

Cos I don't know exactly where I'm going  
I don't know exactly where I've been  
I don't know exactly where I'm going  
I don't know exactly where I've been, alright

The world keeps revolving  
The cars keep driving  
The money keeps on coming  
And I keep smiling

Cos I don't know exactly where I'm going  
I don't know exactly where I've been  
I don't know exactly where I'm going  
I don't know exactly where I've been, it's alright

Keep on, just keep on, keep on, walking  
Keep on, just keep on, keep on, walking

Cos I don't know exactly where I'm going  
I don't know exactly where I've been  
I don't know exactly where I'm going  
I don't know exactly where I've been, it's alright

If the fish keep swimming  
The birds keep flying  
And the planes keep falling  
And the people keep dying

Well I don't know exactly where I'm going  
I don't know exactly where I've been  
I don't know exactly where I'm going  
I don't know exactly where I've been

On and on...

I don't know exactly where I'm going

I don't know exactly where I've been  
I don't know exactly where I'm going  
I don't know exactly where I've been
