Ooh, ooh

Oh, there's a river that winds on forever
I'm gonna see where it leads
Oh, there's a mountain that no man has mounted
I'm gonna stand on the peak

Out there's a land that time don't command
Wanna be the first to arrive
No time for ponderin' why I'm-a wanderin'
Not while the

To the ends of the earth, would you follow me
There's a world that was meant for our eyes to see
To the ends of the earth, would you follow me
If you will have a say my goodbyes to me

Oh, there's an island where all things are silent
I'm gonna whistle a tune
Oh, there's a desert that size can't be measured
I'm gonna count all the dunes

Out there's a a world that calls for me, girl
Headin' out into the unknown
Well if there are strangers, and all kinds of danger
Please don't say I'm going alone

To the ends of the earth, would you follow me
There's a world that was meant for our eyes to see
To the ends of the earth, would you follow me
Well if you want, I will say my goodbyes to me

I was a-ready to die for you, baby
Doesn't mean I'm ready to stay
What good is livin' a life you've been given
If all you do is stand in one place

I'm on a river that winds on forever
Follow 'til I get where I'm goin'
Maybe I'm headin' to die but I'm still gonna try
I guess I'm goin' alone
