[Hook]

Niggas thought I wouldn't make it to see this year  
Niggas thought I wouldn't make it to see last year  
But I'm still here, but I'm still here  
But I'm still here, but I'm still here  
Niggas thought I wouldn't make it to see this year  
Niggas thought I wouldn't make it to see last year  
But I'm still here, but I'm still here  
But I'm still here, but I'm still here

[Verse 1]

Nigga, I'm still here, nigga I'm stick tickin'  
Nigga, I'm still thuggin', nigga I'm still gettin' it  
Nigga, I'm still wildin', nigga I'm still raw  
Me I'm the same G, yeah, a fuckin' outlaw  
Niggas still hatin', niggas still plottin'  
But I'm already watchin' and already cocked it  
I know why I'm still here, 'cause I'm a made man  
Y'all think one move at a time, I think a few ahead  
Few of the clique didn't make it, a few got murdered  
A few of them got caught up and the jury served 'em  
I'm still here, keepin' it real with you  
In the race to be a multimillionaire nigga

[Hook]

[Verse 2]

Nigga I'm still here, bitch I'm still thuggin'  
I did a decade, and I ain't say nothin'  
I lost my little brother, wish he was still here  
2010, 'bout to be 3 years  
I kicked my dope habit, that gorilla had me  
Them one and ones somethin' serious, no smilin' or  
laughin'  
Niggas counted me out, thought I wouldn't bounce  
back  
YNT, we 'bout to eat, I'm talkin' rack attacks  
Try to take my stacks, them gunners they go rat-tat-tat  
I tell that gangster, yeah, them gunners they go rat-tat-  
tat  
They tell ya touchdown, jizzle, I'mma represent

Chopper City, young and thuggin?, the streets and the pen

[Hook]

[Verse 3]

Nigga I?m still here, still standin? strong

Still doin? me, still holdin? on

Still runnin? more, still duckin? laws

If you ain?t down with Choppers City, nigga, fuck y?all

I ain?t goin? nowhere, nigga, this my home

Come to New Orleans you see Jizzle sittin? on the throne

I?m ridin? with the chrome, I?m ridin? with the heat

I?m in my habitat, we guerillas, that?s like me
