ohhhhhhh, yeah yeah yeah, ohhhhhhh

You know everything that I'm afraid of

You do everything I wish I did

Everybody wants you, everybody loves you

I know I should tell you how I feel

I wish everyone would disappear

Every time you call me, I'm too scared to be me

And I'm too shy to say

(Chorus)

Ooh, I got a crush on you

I hope you feel the way that I do

I get a rush

When I'm with you

Ooh, I've got a crush on you

A crush on you

You know, I'm the one that you can talk to

Sometimes you tell me things that I don't wanna know

I just want to hold you

You say exactly how you feel about her

I wonder, could you ever think of me that way

(Chorus)

Ooh, I got a crush on you  
I hope you feel the way that I do  
I get a rush  
When I'm with you  
Ooh, I've got a crush on you  
A crush on you  
Ooh, I wish I could tell somebody  
But there's no one to talk to, nobody knows  
I've got a crush on you  
A crush on you, I got a crush  
Heeeyyy I got a crush, I got a crush on you  
You say everything that no one says  
But I feel everything that you're afraid to feel  
I will always want you, I will always love you  
(Chorus) x2  
Ooh, I got a crush on you  
I hope you feel the way that I do  
I get a rush  
When I'm with you  
Ooh, I've got a crush on you  
A crush on you  
I got a crush, I got a crush on you
