chorus 1...one kiss heaven isn't far  
your everything my heart desires your love has  
no missing parts its everything my heart desires  
there aint no one better for me  
every day and night  
baby in my life its you  
your my front page story  
wanna tell the worl  
im in love with u boy  
cant believ its real  
everything i feel  
baby its to hard to conceal  
chorus 1  
thought id be forever searchin  
on an open road  
i had no where to go so i  
i said a prayer and god heard it  
come and set me free  
send an angel to me  
and then u appeared everything was clear  
i just cant believ that your here

## CHORUS 2

one kiss

heaven isn't far

your everything my heart desires

your love

has no missing parts

its everything my heart desires

the best thing

underneath the stars

your everything my heart desires

dont change stay the way you are

your everything my heartn desires

everything about u baby

yeah
